

What should I do if I am involved in a MOTOR VEHICLE ACCIDENT?

The most important thing to do after a SERIOUS AUTOMOBILE, MOTORCYCLE or TRUCK ACCIDENT occurs is to make sure that everyone involved is in a safe place and out of harms way. The next step is to call the police and EMT assistance, if necessary.

Once these two key steps have been undertaken, it is important to immediately begin gathering as much information from the motor vehicle accident scene. You must write down detail the facts and your observations at the scene of the car accident because as time passes, the details will become less and less clear. Inside is a check list of items that you should gather:
