## AUTO ACCIDENT ATTORNEYS

Dear Reader:

Thank you for your interest in our free books.

Michigan’s No-Fault auto insurance law was recently changed. We are currently in the process of updating our books to reflect the new changes. These changes to the No-Fault law include:

- **No-Fault PIP Choice:** Starting July 2, 2020, drivers can choose one of the following levels of No-Fault PIP medical benefits coverage: \$500,000; \$250,000; \$50,000; and “no limit.”
- **Savings for drivers:** For auto insurance policies effective after July 1, 2020 (and before July 1, 2028), drivers will save the following amounts depending on which of the No-Fault caps above they choose: 20%; 35%; 45%; 10%.
- **Michigan Catastrophic Claims Association:** The MCCA will continue to pay medical benefits for catastrophically injured car crash victims based on policies issued or renewed before July 2, 2020.
- **Attendant care:** Auto insurers will not be obligated to pay for more than 56 hours per week of family-provided, in-home attendant care for attendant care rendered after July 1, 2021.
- **No-Fault medical-provider fee schedule:** The new Medicare-based, No-Fault fee schedule will apply to “treatment or rehabilitative occupational training rendered” by doctors, hospitals and clinics to car accident victims “after July 1, 2021.”
